Fun for ALL

METROPOLITAN ZONE 1

"DERBY TREBLE"

Phase Three: The Derby:

Derby: Judging will be per the current PCAQ Rules for Show Jumping under Table A, Article 277 (modified as set out below). A Derby is a special competition taking place over a combination of show jumping and cross-country fences. Riders will complete a single derby round and there will not be a jump off round.

Time penalties: Time penalties will be awarded at 1 penalty per 4 seconds over the optimum time for the course, and riders will be allowed a 20 sec grace period before penalties are imposed for being under the optimum time for the course at the same rate.

Speeds: Height – 30 to 50cm: 300mpm; Height – 60 to 70cm: 325mpm; Height – 80 to 90cm: 350mpm.

Gear: Competitors will be permitted to wear a watch, and a medical armband and are **required to wear a body protector on course**. Competitors shall comply with the PCA National Gear Rules applicable at the time of the event, including as to the use of cross-country horse boots in the Derby.

Riders may nominate two horses at the same or different heights. If total individual rider nominations exceed the capped limit all the organizing committee reserves the right to limit riders to a single horse entry, and riders will be advised should this situation eventuate.

At the discretion of the organizing committee, classes with 3 or less riders nominated may be combined with a class jumping the same or lesser height. Riders will be advised via the published draw prior to the event commencing.

Workers: As everyone understands, these events don't just happen and as always, we need the help of willing workers to share the load. Clubs will need to provide two willing and able workers to assist with setup on the Saturday at 9:00am and 2pm. Clubs will also need to provide, with the nominations, the name of 1 worker for each 3 riders nominated.

First Aid: Qualified paramedic and first aid officer(s) will be in attendance pursuant to PCA Minimum Medical Standards.

DISCLAIMER: Neither the Organising Committee, nor PCAQ, nor Hosting Pony Club accept any liability for any accident, damage, injury, loss or illness to any horse, owners, riders, grounds, spectators or any other person or property whatsoever. In the event of any inconsistency between the published program and the information contained on the Zone 1 Website, the information on the Zone 1 Website shall prevail.

The organisers reserve the right to: -

- (A) Cancel any class or event
- (B) Divide or combine any class to ensure smooth operation of the day
- (C) Alter the advertised times
- (D) Refuse any entry with or without stating the reason

Please note— No dogs permitted on the grounds.

Biosecurity requirements and Terms and Conditions are available on the Zone 1 website

Updates: The Zone 1 Website will be used to post the Draw and to advise of any changes or updates to the day, including advice in the event of rain, as to setup and as to workers on the day. **Please Check the Website on the evening prior to the event.**
